Subject: Revised Form 90-L

The Request for Medical Eligibility Determination Form 90-L issued in June 2017 has been revised. Minor language changes have been made to the form. Please use this form starting immediately. If the 06/01/2017 version of the 90-L is being completed, you are **not** required to restart the process with the new 90-L.

As stated before, this Form 90-L is to be used for all OCDD waivers (NOW, Supports Waiver, Children's Choice, ROW) and for ICF/DD placement. This is a state form whose format is **not to be modified** by any party other than OCDD Central Office.

Three minor language changes have been made to the Form 90-L:

1. In Section II, Level of Care, the attending physician will designate the level of care.
2. In Section III, paragraph I where signatures are required, the language regarding the Nurse Practitioner / Physician Assistant signature has been reworded for clarity.
3. The subtitle "Intellectual/Developmental Disability Level of Care" has been removed.

Please discard all copies of the old form and replace with the attached. Instructions for completing the form and all associated documents are still available on the OCDD website at the following link: <http://dhh.louisiana.gov/index.cfm/newsroom/detail/1564>.

As a reminder to agencies, Section I. Recipient Information, should be completed by the agency/family prior to presenting it to the physician for completion.

If you have any questions regarding use of the form, please contact Teresa Frank at (225) 342-0095 or [Teresa.Frank@la.gov](mailto:Teresa.Frank@la.gov).
